

ABOUT THE PROGRAMME

The **Faculty Development Program (FDP) on "IoT in Healthcare: Transforming Patient Care and Management"** is designed to provide academic professionals with a deep understanding of how IoT technologies can revolutionize healthcare delivery and patient management. This program focuses on the application of IoT to improve patient monitoring, enhance medical decision-making, and streamline healthcare operations. The main objective of the Faculty Development Programme is to

- Provide participants with an understanding of how IoT technologies can be applied to healthcare for improving patient care.
- Equip participants with the skills to develop and implement IoT-driven healthcare solutions.
- Foster collaboration between technology developers and healthcare professionals to bring IoT innovations into practice.
- Address the security and ethical concerns of IoT in healthcare.

Participants will acquire cutting-edge knowledge in the field of IoT, particularly its role in transforming healthcare systems. They will learn practical skills related to IoT device integration, data analytics, and security, which can be applied in both research and teaching contexts. The FDP will also provide opportunities for collaborative research and networking with healthcare professionals and technology experts, enabling participants to stay ahead in the rapidly evolving field of IoT in healthcare.

DETAILS OF REGISTRATION

Number of participants for this Faculty Development Programme (FDP) is limited to 200. **Registration, Course participation, certification for attending this FDP is completely free of cost.** Registration has to be done only through this website <https://atalacademy.aicte-india.org/>. It is mandatory to attend the test, which will be conducted in the last day of the FDP related to the topics covered. The participants should have a minimum of 80% attendance and 70% marks in the test to earn the certificate.

RESOURCE PERSONS

Mr. Santhababu Pandian
Director, ROLAN AI Product Solution
and Consulting Pvt. Ltd. London

Dr. Meenalosini Vimal Cruz
Assistant Professor, Georgia Southern
University. Port Wentworth, Georgia,
United States

Dr. Hemalatha D Professor-University of
Technology and Applied Sciences, Ibri,
Oman

Dr. Priyanka Kokil
Associate Professor, IIITDM
Kancheepuram, Tamil Nadu

Dr. G. Lakshmi Sutha
Dean, Associate Professor, Department of
ECE, National Institute of Technology
Puducherry, Karaikal

Dr. Kavitha Ganesan
Professor, ECE, CEG Campus, Anna
University, Chennai, Tamil Nadu

Dr. Sainarayanan Gopalakrishnan
Global Technology Director AI and
Computer Vision, HCL Technology Ltd,
Chennai, Tamil Nadu, India

Mr. Deepan Raj M.
Senior Technical Lead HCL Technologies
Ltd. Chennai, Tamil Nadu, India

SRI VENKATESWARA COLLEGE OF ENGINEERING

(An Autonomous Institution affiliated to Anna University, Chennai)

AICTE Training and Learning (ATAL) Academy

ONLINE FACULTY DEVELOPMENT PROGRAMME

on

IoT IN HEALTHCARE: TRANSFORMING PATIENT CARE AND MANAGEMENT

09th - 14th
December, 2024

Coordinator

Dr.S.VIJAYANAND

Organized

by

**Department of Electronics and
Communication Engineering
Sri Venkateswara College of Engineering
(An Autonomous Institution affiliated to
Anna University, Chennai)**

Sriperumbudur (TK) – 602117

REGISTRATION FEE

No registration fee is charged from the Participants.

AICTE – TEACHING AND LEARNING (ATAL) ACADEMY

The main objectives of the ATAL Academy are

- To plan and help in imparting quality technical education in the country
- To support technical institutions in fostering research, innovation and entrepreneurship through training in various emerging areas
- To stress upon empowering technical teachers & technicians using Information & Communication Technology
- To utilize SWAYAM platform and other resource for the delivery of trainings
- To provide a variety of opportunities for training and exchange of experiences such as workshops, orientations, learning communities, peer mentoring and other faculty development Programmes
- To support policy makers for incorporating training as per requirements

TOPICS TO BE COVERED

- Introduction to IoT & AI in Healthcare
- Patient Monitoring Systems
- IoT support for Chronic Diseases and Management
- Telemedicine and IoT
- Smart Hospitals
- Data Analytics in IoT Healthcare
- Security and Privacy in IoT Healthcare
- Evaluation of an IoT-Enabled Hybrid Model for Genome Sequencing in Healthcare 4.0
- Case Studies of IoT Innovations
- Future Trends in IoT Healthcare
- Patient Engagement and IoT
- Ethics and future trends in IoT Healthcare

ABOUT THE INSTITUTE

Sri Venkateswara College of Engineering(SVCE) (Autonomous), a premier self-financing engineering college was established in the year 1985 and is managed by Sri Venkateswara educational and Health Trust. The college offers 12 B.E/B.Tech Degree Courses and 8 PG Courses in Engineering/ Technology approved by AICTE and affiliated to Anna University, Chennai. The College attained autonomous status in the year 2016. **The college is accredited by National Assessment and Accreditation Council (NAAC) with A+ Grade in the year 2022.** The National Board of Accreditation has accredited many of the eligible programs. The college is an ISO 21001:2018 certified institution.

ABOUT THE DEPARTMENT

The Department of ECE was established during the academic year 1985-86 and also offers a PG program in Communication Systems. The department is recognized by Anna University, Chennai as an approved research center and around 60 scholars are currently doing their doctoral studies. The Department of ECE holds 17 doctorates with majority of them with the supervisor recognition from Anna University, Chennai. The department has the support of 40+ highly qualified, experienced and dedicated faculty members to offer good academic help to students and also constantly help our students to carry out their academic projects addressing the demands of society. Faculty and students actively involved in R&D activities by publishing the research articles in reputed international journals and conferences. Our faculty members have bagged high valued funded projects from prestigious organizations such as **AICTE, DRDO, ISRO and TNSCST, etc.,** The Department is equipped with MATLAB, Cadence and Tanner Softwares, ADS, CST and IE3D Simulation softwares, DSP kits, FPGA kits, ARM processors, PCB prototyping machine and S band Network Analyser.

CHIEF PATRON

Dr. A. C. Muthiah, **Chairman, Governing Council**

PATRONS

Dr. M. Sivanandham, **Secretary, SVEHT**

Dr. S. Ganesh Vaidyanathan, **Principal, SVCE**

Dr. G. A. Sathish Kumar, **HoD, ECE, SVCE**

COORDINATOR

Dr. S. Vijayanand, **Associate Professor, Department of ECE, SVCE**

CO-COORDINATOR

Dr. R. Gayathri, **Professor, Department of ECE, SVCE**

ORGANISING TEAM

Ms. M Mehzabeen , **Assistant Professor**

Mr. N. Sathish, **Assistant Professor**

Mr. K. Venkatesh, **Assistant Professor**

Ms. S. Mary Cynthiya, **Assistant Professor**

Ms. B. Elakkiya, **Assistant Professor**

Mr. S. Elangovan, **Assistant Professor**

Dr. G. Ayappan, **Assistant Professor**

Department of ECE, SVCE
